Fri 17<sup>th</sup> NCTTC Yr 9 'Try a VET' taster day

Mon 20<sup>th</sup> Yr 10 Pre Driver Education – Day 1

Tues 21<sup>st</sup> Yr 10 Pre Driver Education – Day 2

Wed 22<sup>nd</sup> Yr 10 Pre Driver Education – Day 3

Fri 24<sup>th</sup> Last day of Term 2 – 2.30pm finish

#### Term 3

##### July

Mon 11<sup>th</sup> Term 3 commences

**Principal**  
**Jamie Daff**

Welcome back to Term 2, it is going to be a very busy term and a shorter term of 9 weeks.

Many of the COVID restrictions have been relaxed and I have outlined these below.

#### Face masks

From Friday 22<sup>nd</sup> April, face masks, while recommended, are not required in any school setting. This means students in Grades 3 to 6, staff and visitors

in primary schools are no longer required to wear face masks.

#### Screening requirements

Students and staff who have tested positive for COVID-19, and have completed their 7-day isolation period, now do not need to undertake rapid antigen test (RAT) screening for 12 weeks after their release from isolation.

#### Household contacts

Students and staff who are household contacts of a COVID-19 case are no longer required to quarantine. They can return to school as long as they undertake rapid antigen tests (RAT) 5 times within their 7-day period and wear face masks indoors if they are aged 8 and above unless they have a valid exemption.

If any household contact returns a positive RAT result during this period, they must isolate for 7 days and not attend school.

#### Vaccination requirements for visitors to schools

Parents, carers and other adult visitors (not performing work) are no longer required to show evidence of two doses of COVID-19 vaccine.

#### School Council News

The next school council meeting will be held on Monday May 9<sup>th</sup>; this meeting will be an open event and we are inviting anyone who is interested to come along and see how School Council works. During the meeting I will be presenting the new strategic plan and discussing the findings from the review.

#### Victorian High Achiever's Program (VHAP)

The College has had four students chosen to undertake the program this term through Virtual School Victoria. Chosen to undertake the English component are James Fitzpatrick, Josie Larmour and Leigh Van Boven. These students will undertake the program titled **Hope in Dystopian Times**. Heidi Start

has been selected to undertake the Mathematics component. The Mathematics program that Heidi will undertake is titled ***A Whole New World of Mathematics***. These students have been selected by the Department of Education based on their NAPLAN results and performance in these subjects at school. For some of these students it is their third time being selected in the program. The College congratulates James, Josie, Leigh and Heidi for being selected. We look forward to hearing about the programs from these students.

### College Fete

Late last term the decision was made to minimise the Fete, as at that time visitors to the school were limited and with the isolation rules the College was unsure how many students and staff would be present to run activities.

This year on Thursday May 5<sup>th</sup> (next Thursday) the Fete will be held from the start of lunch till the end of lunch 1.10-1.50pm in the Primary area. The Mother's Day gift stall and a stall with children's novelties and sweet treats will be there.

### This week's SWPBS focus:

**RESPECT**

**DIGITAL  
DEVICES**

**I will**  
- use digital technologies  
appropriately  
- look after digital devices as  
directed

**Canteen News**  
**Karri Jablonka, Manager**

Welcome back everyone. The Canteen menu for Term 2 is attached to this Bulletin.

Term 2 specials - 'Baked Potato' and 'Chicken Fried Rice' (back by popular demand). Hot Dog Thursdays are still on the menu but not 'Pie of the month'. See the menu for details and prices.

**Student Wellbeing**  
**Natasha Saunders**

### Welcome back!

Welcome back to Term 2. I hope that everyone is rested, re-charged & ready for a busy term.

### Uniform

Those beautiful sunny Autumn days that we had become accustomed to seem to be in short supply at the moment, so winter uniform will be in demand. If you require support with uniform, please make contact with me at the College.

### Catholic Care Victoria (CCV) programs & workshops

Please find attached the Term 2 CCV program for both multi-session programs & single-session workshops. I will also send an electronic version to parents via Compass so that you can save a copy if you wish. Single-session workshops will be advertised in the Parent's Bulletin closer to each respective date.

**Years F - 6 Coordinator**  
**Kim Fitzpatrick**

### F – 6 dates for the calendar

- Wed 4<sup>th</sup> May – Division Cross Country
- Tues 10<sup>th</sup> May - NAPLAN – Writing
- Wed 11<sup>th</sup> May - NAPLAN – Reading
- Wed 11<sup>th</sup> May - House Cross Country
- Thurs 12<sup>th</sup> May - Mother's Day Fete
- Mon 16<sup>th</sup> May - NAPLAN – Language Conventions
- Wed 18<sup>th</sup> May - NAPLAN - Numeracy
- Wed 25<sup>th</sup> May - Pupil Free Day
- Fri 27<sup>th</sup> May – Calder Winter Sports

Welcome back for Term 2. We trust everyone had an enjoyable break and has returned well rested and ready to learn. This term is only 9 weeks long so it will pass us by very quickly. This term the younger years will learn more about Charlton and its place in Australia, the older students will learn about Systems of Government. In Science, there will be a focus on the weather, electricity and the effects of heat.

### Urban Camp – Years 5 & 6

This week notes have gone home to gain numbers intending to attend Urban Camp to allow further planning to take place. Many thanks to those who have returned notes promptly; they are due tomorrow.

### Division Cross Country

Next Wednesday, select students from Years 3 to 6 will attend the Division Cross Country in Bendigo. These students have been practising so good luck to all participants.

### Tennis Hot Shots

On the final Thursday of last term students participated in a Tennis Hot Shots day in Boort. Charlton College had two teams and one finished in 3<sup>rd</sup> place. This was a wonderful achievement and all students reported having an enjoyable day.

*Sophie and Marley take some time out for a photo.*

### ANZAC Day

To commemorate ANZAC Day and increase student understanding of the meaning of the day, various activities were undertaken in the building, from watching a clip, reading stories, cooking ANZAC biscuits and making wreaths.

*Mackenzie, Molly, Tyson and Nate displaying their wreaths.*

**Years 7 – 9 Coordinator**  
**Darcy McCallum**

### ANZAC Day Ceremony:

Well done to all students who paid their respects to the ANZACs and those who spoke on behalf of the College at our ANZAC day ceremony on Tuesday. Everyone involved did a fantastic job.

### State Swimming:

Good luck to Ebony Start who today is representing the College at the State Swimming titles! This is a tremendous achievement and we hope your swim is fast!

### 7-9 Sport:

This Term the 7-9 students will be participating in a SEPEP, organised and run by the Yr 9 students. SEPEP mimics local sporting competitions and gives students a feel and understanding of what is involved to coordinate and run a sporting competition. On Wednesday the Yr 9 students spent their sport lesson collaborating and planning. They have developed their own sport called Meatball which is a hybrid sport of Netball and Mat Ball. The Yr 9s are very excited to run the Meatball season and are looking forward to round 1 next week.

During their planning session the Yr 9s formed the Meatball Committee and delegated roles to everyone in the class. I'd like to introduce the Meatball SEPEP Committee.

SEPEP Coordinators: Elise, Annie, Isabel.

Coaches: Annie, Emmy, Elise, Joe, Chaise, Isabel.

Umpire & Scorers Coordinators: Zali, Poppy.

Media Coordinators: Beau, Georgia.

Equipment & Facilities Coordinators: Taylah, Mercadiez.

Game Day DJ: Ditch

**Years 10 – 12 Coordinator**  
**Meaghan King**

### ANZAC Ceremonies

I would like to congratulate our Year 10-12 students on their recent involvement in this year's ANZAC Day ceremonies, both at school on Tuesday and in the wider community on Monday. Our students took on a range of roles and their leadership, maturity and respectful participation were admirable.

### Term 2 MIPs appointment dates

Sue Clay (MIPs co-ordinator) will visit Charlton College for career and course advice appointments on the following dates:

- Friday 29<sup>th</sup> April
- Monday 9<sup>th</sup> May
- Wednesday 18<sup>th</sup> May
- Tuesday 31<sup>st</sup> May
- Friday 10<sup>th</sup> June
- Wednesday 15<sup>th</sup> June

Students are encouraged to book appointments using the sheets available on the 10-12 board, outside Room 5. Parents are also welcome to meet with Sue. To make an appointment, contact Miss King at [Meaghan.king@education.vic.gov.au](mailto:Meaghan.king@education.vic.gov.au).

### Employability skills and resume writing

Employability skills are the non-technical skills needed to get a job. Often referred to as "soft skills", they include skills such as

- Communication
- Teamwork
- Problem solving
- Initiative
- Planning and organising
- Decision making
- Self-management

These skills are highly valued by employers and industry. So, your ability to provide examples of how you developed these skills is valuable when you are looking for work.

### Developing your skills

Employability skills can be developed in many areas of your life, including at school, at work and through hobbies and sport. For example, to develop or improve your communication skills, you could consider:

- Presenting oral presentations in class.
- Working in customer service (face-to-face or over the phone).
- Writing assignments and reports as part of your studies.
- Blogging or using social media.

If you are just getting started in your career, work experience can help you to develop your skills and provide evidence of your ability to perform a skill in a workplace. It can also provide you with an opportunity to develop networks, learn about the world of work and decide what kinds of things you would like to do.

For further information, visit:

<https://myfuture.edu.au/career-articles/details/what-are-employability-skills>

### VCE and Careers Expo 2022

Australia's biggest education and careers expo is now in its 30<sup>th</sup> Year.

## Thursday 28<sup>th</sup> April – Saturday 30<sup>th</sup> April 9am – 3pm

Caulfield Racecourse

For further information, visit:

[www.vceandcareers.com.au](http://www.vceandcareers.com.au)

### Work experience - Dandenong Veterinary Hospital

Dandenong Veterinary Hospital encourages students to participate in our work experience program. It is a great chance to see the 'out the back' workings of a Veterinary Hospital if you are training or considering a career in this field.

We have Secondary School Students on a regular basis as part of their formal year ten work experience program. These students must be 15 years or older at the time of placement and organise the experience through their school's work experience co-ordinator. School students are able to experience a variety of day-to-day procedures at the Hospital, including surgeries, grooming, and care of unwell hospital patients. They assist the Veterinary Nurses with their daily cleaning routines and other jobs around the Hospital.

Work experience is a good opportunity for Secondary School Students with an interest in animals to have a behind-the-scenes look at working in the animal industry.

### JMC Academy 2022 Open Day

**Saturday 14<sup>th</sup> May 2022, 10.00 am – 2.00 pm**

At JMC, it's all about exploring your passion, discovering a rewarding career, and making a few life-long connections along the way. It's about helping you grow your skills, hone your creativity, and learn as much as you can about your chosen field so that you eventually land that job you've always dreamed of.

Join us on Saturday 14<sup>th</sup> May for our Open Day and discover how you can build your creative future with JMC.

Find out more:

[www.jmcacademy.edu.au/news-and-events/events/may-2022-melbourne-campus-open-day/](http://www.jmcacademy.edu.au/news-and-events/events/may-2022-melbourne-campus-open-day/)

### AIE Open Day, Melbourne

**Saturday 14<sup>th</sup> May 2022, 10:00 am - 3:00 pm**

Discover the courses designed to get you started in game development, 3D animation, film, and visual effects at the AIE Open Day on Sat 14 May 2022.

AIE's Open Day is a great opportunity to meet our teachers, staff, and students. The day will cover everything you need to know about the:

- careers in games and VFX that we train students for.
- studios and industries that we work with.
- courses we offer – from beginners to professional mastery, and.

- the software, skills, and knowledge we teach.

Find out more:

[https://aie.edu.au/aie\\_event/open-day/](https://aie.edu.au/aie_event/open-day/)

### Photography Studies College Open Day

**Sunday 29<sup>th</sup> May 2022, 10:00 am -3:00 pm**

Visit us at Photography Studies College's open day, to explore our facilities, meet our tutors and staff, discover our courses, and learn about our application and interview process. At Photography Studies College, we provide a range of nationally accredited photography focused courses including Masters, Degrees, Diploma and Certificate courses (Vocational and Higher Education) led by internationally renowned teachers and mentors. Find out about our fast-tracked courses such as our Bachelor of Photography, Undergraduate Certificate of Photography and Undergraduate Certificate of Digital Imaging, offered in an intensive first 6 months, and hear from alumni about their careers and experience since graduating.

Find out more:

<https://explore.psc.edu.au/2022-may-open-day>

### La Trobe Aspire

**Tuesday 10<sup>th</sup> May 2022, 5.00 – 6.00 pm**

At La Trobe, we know there's more to being a good student than marks alone. Our Aspire Early Admissions Program rewards your involvement in community, leadership, and volunteering with an early conditional offer into your chosen course at La Trobe and many other exclusive benefits. In this webinar, we'll tell you exactly what goes into writing a successful Aspire application and you'll get the opportunity to ask questions to get the help you need.

Find out more:

[www.latrobe.edu.au/events/all/la-trobe-aspire-early-admissions-webinar3](http://www.latrobe.edu.au/events/all/la-trobe-aspire-early-admissions-webinar3)

### Year 11 and 12 Jumpers

Jumpers are on their way! For those who ordered a jumper at the end of last year, please ensure you have paid you \$50 deposit. Once the jumpers have arrived, we will inform parents and students.

## SLC Updates

### Easter Fun

In the afternoon of the final day of term the Year 10 class and SLC provided some Easter fun for students. The Year 10's ran an Easter Egg Hunt. Students came back with packed bags of eggs! The SLC had various activities in the quadrangle and music to liven up lunchtime. It was great to see the whole school out having a great time together.

*A yard full of activity!*

*Tom showing off his bag of eggs.*

*It wasn't just the younger students who left with full bags of eggs - Oscar, Bailey and Seb were pretty happy with their find.*

### **ANZAC Service**

Well done to all SLC members who participated in our ANZAC service. You all conducted yourselves in a confident and respectful manner - thank you for providing the College with a memorable time for us all to reflect on the ANZACs. We would also like to thank our guests; Troy Heenan, Bill and Joy Freeman and Gordan Risk. Thank you for sharing some great stories and attending our service.

*Troy Heenan, Charlton College School Council President.*

*Lucinda, Jackson, Lacey and Ollie paying their respects after laying the wreaths.*

*Marley sharing her ANZAC poem.*

## Year 10 Work Experience

### Football Tipping updates!

While we have been away, the Soulsby family have moved their way up into the top 3 and Ernest continues to hold onto 2<sup>nd</sup> place!

## Term 2 Program and Workshop Information

### Multi-session programs

#### *Tuning in to Kids (6 weeks)*

Find out how to help your child understand and manage feelings such as worry, frustration and anger.

#### *Tuning in to Teens (6 weeks)*

Understand your teen better and learn how to help them develop emotional intelligence.

### Family Separation

#### *It's About the Kids (5 weeks)*

For separated parents experiencing ongoing conflict. This program explores ways to support children following separation and provides you with strategies to develop effective co-parenting communication.

### Parents with children in out of home care

#### *My Kids and Me (7 weeks)*

A 7 week parenting program for parents who currently have children in out of home or kinship care. The program is aimed at helping parents navigate the changes in their family and build a positive connection with their kids while they are in care. This program is run according to demand so please call for upcoming dates.

### Single-session workshops

#### *Tech Strategies for Families* **NEW**

Tech is part of our reality but setting boundaries around its use is not always easy. This workshop aims to; present current research, reflect on tech use in your Family - Considering the challenges/opportunities and explore strategies that focus on creating a safe and healthy tech environment.

#### *Boys Brains*

Insight into the workings of a boy's brain and strategies to help parents and carers connect and support them to succeed.

#### *Knowing Your Teen*

Find out information, improve understanding and explore strategies that focus on the strengths and challenges of this stage of development.

## Coming Soon July, August, September Term 3

#### *Tuning in to Kids*

Find out how to help your child understand and manage feelings such as worry, frustration and anger.

#### *Circle of Security*

This six week program explains how children look to their parents or caregivers for support, safety and security as they grow and explore the world around them.

#### *Bringing Up Great Kids*

Supports parents to enhance and build strong relationships with their children and increase the child's confidence and resilience.
