Wed	14 th	Year 9 Grampians Camp commences
Fri	16 th	Year 9 Grampians Camp concludes
Fri	16 th	End of Term 3: 2.30pm finish

Principal
Jamie Daff

Welcome back

I hope everyone had an enjoyable break and have come back ready to go for a very busy term ahead. Covid measures are still in place so remember to test regularly and if you happen to test positive notify the school. RATs will be distributed to students in the coming days.

End of Term Celebrations

On the final day of Term 2 all students engaged in activities during lunchtime to win points towards the House Spirit Cup. Staff even got into the act to round the events up. A big well done to our Chaplain, Tom for his organisation. It was great to see the whole school participating together. The tug-of-war was hotly contested!

This week's SWPBS focus:

RESILIENCE

**MOVING
AROUND**

I will
 - accept who I am lining up next to
 to
 - show patience when lining up

Leukaemia Foundation World's Greatest Shave

During Term 2, NCTTC VCAL students from Boort, Wycheproof and Charlton organised and ran events to raise funds for the Leukaemia Foundation. This included Tyler Riley, VCE Charlton Student, shaving his head in honour of his recently passed grandfather. The Riley family alone raised an enormous \$1830 with a total of \$3960 raised across the Term.

VCAL students attended Wycheproof P-12 to run a BBQ and paint faces while shaving Alex Brander's head. At Charlton, students made and sold choc chip cookies on a Tuesday and ran BBQs on Thursdays.

When the heads were shaved, Charlton College celebrated by all students having the opportunity to participate in a Crazy Hair Day and were able to witness the head shaving of Tyler Riley, Braedon Niven (Boort) and Ethan Eldershaw (Boort). Mrs Aurisch managed to keep her hair as \$5000 needed to be raised for her to go in for the shave.

A big thank you to Chelsea Deason and the SLC, Kylie Fitzpatrick, Margaret McGrath, Di Mulquiny, Peter Moloney, Peter Aurisch and Tanya Watts for all their assistance with arranging finances, collecting sausages, kitchen assistance, fixing BBQs and supporting the program.

Crazy Hair and outfit winners Nate Markman and Erin Blair

Catholic Care Victoria (CCV) parent sessions & workshops- Term 3, 2022

Once again, CCV are offering a great selection of parent sessions and workshops. Please refer to the

information below for details. Registration can be completed by heading to: <https://www.catholiccarevic.org.au/directory/services/parenting-programs-and-workshops>

MULTI-SESSION PROGRAMS

Tuning in to Kids

For parents with kids aged under 12

When: Mondays, 18 July - 22 August

Sessions: 6

Time: 12-2pm

Cost: \$60 (\$30 Concession)

Where: 176-178 McCrae St, Bendigo

Circle of Security

For parents with kids aged under 12

When: Tuesdays, 19 July - 6 September

Sessions: 8

Time: 10:30am-12:30pm

Cost: \$60 (\$30 Concession)

Where: 176-178 McCrae St, Bendigo

Tuning in to Teens

For parents with kids aged 10+

When: Thursdays, 21 July - 25 August

Sessions: 6

Time: 7-9pm

Cost: \$60 (\$30 Concession)

Where: Online Zoom

It's About the Kids

Post-separation program

When: Thursdays, 21 July - 18 August

Sessions: 5

Time: 12:00-2:30pm

Cost: \$60 (\$30 Concession)

Where: 176-178 McCrae St, Bendigo

It's About the Kids

Post-separation program

When: Tuesdays, 2 August - 30 August

Sessions: 5

Time: 6-8pm

Cost: \$60 (\$30 Concession)

Where: Online Zoom

SINGLE SESSION PROGRAMS

Tech Strategies for Families

For parents, carers and professionals with/working with kids aged under 12

When: Tuesday 23 August

Time: 7:00 - 8:30pm

Cost: Free

Where: Online Zoom

This is not a tech safety workshop. It will provide strategies for reducing conflict in the home caused by technology.

Tech Strategies for Families

For parents, carers and professionals with/working with kids aged under 12

When: Thursday 25 August

Time: 11:30am - 1:00pm

Cost: Free

This is not a tech safety workshop. It will provide strategies for reducing conflict in the home caused by technology.

Helping Kids with Big Emotions

For parents with kids aged under 12

When: Tuesday 30 August

Time: 7:00 - 8:30pm

Cost: Free

Where: Online Zoom

SLC

SLC TERM 2 REFLECTION

The SLC got into a rhythm last term, finally starting to piece together what we thought SLC should be achieving. The SLC ran its first events; these being held all through rainbow week and celebrating the diversity at our school. SLC members worked diligently with ideas and with their efforts to ensure that all students had a good week and our corridor is now starting to look a little colourful. An effort has also been made to bridge the gap in contact between the SLC and the students at school. This has been done with the implementation of posters in advisory groups where questions and updates can be posted so that all students can remain informed and bring their input into meetings without having to attend them. We hope that this term we can continue to make the SLC an avenue for all students' ideas to be filtered through into possibilities for change and the SLC will continue to work hard to make the school a student built society.

Coffee Mugs – we have plenty of coffee mugs so thank you to all those who generously donated them.

Years F-6 Coordinator

Kim Fitzpatrick

F-6 Upcoming Events

Fri 22nd July – AFL Clinics

Mon 25th – Fri 29th July Urban Camp Yr 5 & 6

Wed 3rd August – Be Fit, Be Well presentation VIS TBC

Wed 3rd – Fri 5th August – Australian Mathematics

Competition TBC (select students years 4 to 12)

Fri 12th August - Junklandia

Fri 12th August – House Athletics

Thurs 25th August – Calder Athletics

Welcome back to a new term

I hope everyone had an enjoyable break and enjoyed the lovely sunny days whilst staying snug during the cold nights. Unfortunately, we have started the term one staff member down. Covid appears to be quite rampant at the moment, so we will be continuing to keep up our hygiene at school by washing and sanitising regularly. Despite this I am looking forward to another enjoyable term where we continue to work with parents to gain positive outcomes for our students. I am very excited to get parents back in to assist with our programs. If you are available, please let me know. Student reports were released on Monday. We hope that carers and children have read these together to share student achievement. Parent/Student/Teacher conferences will be held during week five. We hope all parents attend these to clarify anything in the reports, to see how students have begun the new term and to work with the school to help continue to gain positive outcomes. Some key events on this term include the Foundation students celebrating a special milestone that they have been counting up to, Urban Camp for students in Years 5 & 6, and the House and Calder athletics days.

Students are already practising for the athletic sports. Years 5 & 6 students have been working out how they are going get from one venue to another using public transport in Melbourne. A very excited group began the Stephanie Alexander Kitchen Garden Program (SAKG). Then there are some very lucky students who get to work one on one with our aides and tutors. The building has been busy from the word go.

We are still looking for some helpers for the SAKG program. You don't have to commit to every week, we appreciate any assistance available.

Finally! It is the Year 3 and 4's turn to have SAKG! There was a lot of excitement in the classroom as they learnt what exactly they were going to experience this semester. Students were put into their groups and have come up with the following clever names for themselves. We have: The "Better Beetroots", the "Cool Carrots", the "Wonderful Watermelons", the "Crabby Coconuts" and the "Bananabutts". In the garden we planted some seeds and learnt how they will grow in the hot house. The Year 3's completed their wheelbarrow licence under the watchful eye of the Year 4 assessors. These students will be presented with their licences at next week's assembly (week 2). At the end of the lesson, we headed to the farm to collect eggs and feed the goats, chooks and ducks.

Lilymae, Koko and Nate planting seeds.

Hudson completing his wheelbarrow licence under Sam's supervision.

Lacey checking on the chickens.

Next week will be our first kitchen lesson. If there are any parents interested in assisting on a Tuesday (no need to commit to each week) we would love to have you! We have a very large class of eager learners and would appreciate anyone who can help out. Please contact the College if you are available.

**Years 7 – 9 Coordinator
Darcy McCallum**

Welcome back to Semester 2!! We have a jam packed and exciting term ahead with Charlton Aths, NCD Aths, Yr 8 → Yr 9 NCTTC Orientation and Yr 9 Camp on the Calendar in Yrs 7-9 with much more to come!

7-9 Sport:

This Term in 7-9 sport, students are competing for gold in the Charlton 7-9 Olympics! Students compete in teams to accumulate the largest total meters jumped and thrown with their running times subtracted from their totals. The four teams are Australia, USA, England and New Zealand. This week Australia and Australia and USA completed the Long Jump and Javelin throw, while England and New Zealand completed the Shot Put and 100m Sprint. All events were completed with great endeavour and drive to reach their best! Stay tuned for results and photos of the following weeks!

Yr 10 Snow Camp:

On Monday Yr 10 students will be departing on their Snow camp. The forecast is looking fresh with a maximum temp of 1 and a minimum temp of -3 over the first 3 days of camp with snow showers predicted! Exciting conditions to shred the slopes! Reminder: Year 10s are asked to please meet in the stadium car park at 7.00am on Monday morning with a 7:15am sharp departure time!

The last week of Term 2 saw the Year 7 students attend the Charlton Golf Club, where they were able to demonstrate the skills and technique learnt in Physical Education throughout the term. Students took part in playing a Par 3, chipping and putting practice and driving off the tee. Year 7s had a very enjoyable lesson and would like to thank Wendy Laffin and Clinton Olive for volunteering their time and equipment to further develop their skills.

Years 10 – 12 Coordinator
Meaghan King

Welcome back!

Welcome back to all of our 10-12 families. I hope that all of our families had a well deserved break, and that students are fresh and ready to go for the term.

This is also a reminder to our Year 12 students that this is effectively the last term of their school careers. VCE students will sit their VCAA exams towards the start of Term 4, and it is important that they keep up with work so that they can be as prepared as possible for these important assessments.

Reminder of Early Entry programs

Charles Sturt Advantage – Close 4th September (3rd round)

Latrobe ASPIRE – Open Now, Close 16th September

RMIT Early Entry – Open Now, Close 18th September

ACU Guarantee – Open 18th July, Close 23rd September

Swinburne Early Entry – Open Now, Close 6th October

Victoria University – Open Now, Close 7th October

Federation Uni Early Offer – Open Now, Close 12th December

Deakin Regional access Scheme – Opens Early August

Work experience opportunity – Students over 15 years of age

Monash Biomedicine Discovery Institute

Each year, more than 50 secondary school students are taken into our laboratories for a week-long placement to experience what the life of a research scientist is really like. These placements enable secondary students (15 years of age or older) to gain an insight into careers in biomedical research by allowing them to observe and participate (subject to safety considerations) in the activities of a research laboratory. The Monash Biomedicine Discovery Institute is a research-intensive institute, and our scientists focus on fundamental research questions surrounding health and disease. Consequently, students who can show a passion for science and future careers in research will be viewed favourably.

Dates of placement: 19th–23rd September, 2022

Applications open: 11th July 2022

Applications close: 12th August 2022

Offers released by: 26th August 2022

Applications are to be submitted to Monash by School Career Practitioners.

See Miss King if you are interested in applying.

For more information, visit:

www.monash.edu/discovery-institute/engage/schools-and-community-outreach/work-experience-for-secondary-students

Open days reminder and central directory

University, TAFE, and Private Provider Open Days are a wonderful opportunity for students to explore course and career options. They are particularly beneficial for students in Years 10, 11 and 12.

With the Open Day season approaching, it can make your tours less overwhelming if you understand what to expect and what you intend to see, do, and explore on campus.

For a list of 2022 Open Days Visit:

www.vtac.edu.au/opendays.html

Harvest casuals

Looking for casual work this harvest?

You can “Register your interest” now for the 2022/23 Harvest season, visit:

www.graincorp.com.au/harvest-casuals/

Applications Open 1st August 2022

Mathematics focus –

When will I use algebra in real life?

Algebra can be polarising, but however you feel, it is certainly powerful. We use algebra every day to find the answers to questions, and algebra is so important that it underpins our world, including most of the code that keeps our phones and laptops humming.

The basic concepts of algebra build on the maths you learn in primary school, and you can expect to be diving into algebra at some point in early secondary school.

Once you master the basics, you can use algebra in a huge range of ways both in your career, and throughout your life.

Looking for more proof that you’ll actually use algebra one day? Take a look at the full blog here: <https://whywestudy.com/when-will-i-use-algebra-in-real-life/>

TWO CONCERTS JULY 17

BIRCHIP TOWN HALL
10 AM AND 1 PM

**Make a day of it- order your coffee and picnic box at
O'Donnell's Cafe, visit Kawaii Kids and play in the park!**
