September

Wed	14 th	Year 9 Grampians Camp commences
Fri	16 th	Year 9 Grampians Camp concludes
Fri	16 th	End of Term 3: 2.30pm finish

Principal
Jamie Daff

This week a small group of staff started Professional Learning Communities (PLC) training. This training will continue until the end of the year and will support these staff to lead the key areas of work that have been identified in the Schools Strategic Plan. As a school we have already started the process of implementing PLCs and I'm really excited with where this work will lead us.

Covid

Due to the increase in Covid numbers, the Health Department has recommended that anyone aged 8 and over should wear a face mask.

It is the Education Department's expectation that, through to the end of winter, students aged 8 and over and staff will wear masks when in class, except where removing a mask is necessary for clear communication or when a particular activity requires the removal of a mask.

This week's SWPBS focus:

RESPECT

LEARNING SPACES

- I will
- use my inside/appropriate voice
 - listen to others
 - let others learn
 - respect the opinion of others

Student Wellbeing
Natasha Saunders

eTutors Project

eTutors Project

The Buloke Shire & NCLLEN have asked me to promote the eTutors Project. The eTutors Project is a free program which connects struggling students with volunteer tutors. It aims to support students who require extra academic assistance regardless of their financial capability. Please refer to the attached flyer for further information or head to <https://etutorsproject.org/>

headspace group chats

headspace group chats

Students & parents/guardians (& staff!) may be interested in headspace's online group chats for

young people & for adults supporting young people. Hosted by mental health clinicians & vocational specialists, these chats cover a range of topics & are a great way to find resources & have your questions answered.

Upcoming group chats include:

- **JULY 28:** supporting someone with ADHD in a neurotypical world (for adults supporting young people)
- **JULY 31:** exploring your cultural identity
- **AUGUST 7:** getting parents on board when you need service supports
- **AUGUST 16:** you don't understand my ADHD
- **AUGUST 25:** teen parties, drinking & other drugs (for adults supporting young people)
- **SEPT 4:** the perfectionism predicament
- **SEPT 20:** 'but we can still be friends'...feeling rejected
- **SEPT 22:** influencing food, fitness & feelings... language matters (for adults supporting young people)

More information can be found at <https://headspace.org.au/online-and-phone-support/join-the-community/chats-by-professionals/>

Catholic Care Victoria (CCV) parent sessions & workshops- Term 3, 2022

Once again, CCV are offering a great selection of parent sessions and workshops. Please refer to the information below for details. Registration can be completed by heading to: <https://www.catholiccarevic.org.au/directory/services/parenting-programs-and-workshops>

Helping Kids with Big Emotions

For parents with kids aged under 12

When: Tuesday 30 August

Time: 7:00 - 8:30pm

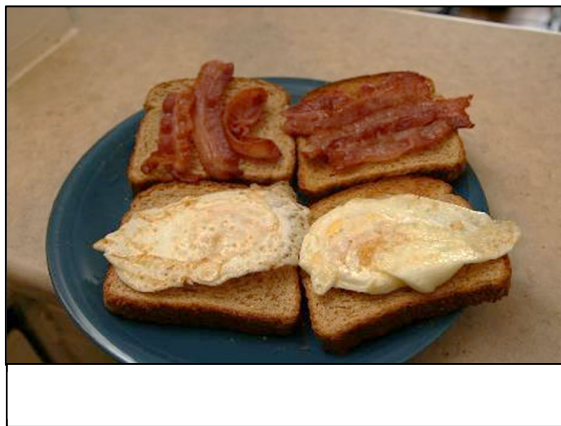

Cost: Free

Where: Online Zoom

SLC

Last Friday SLC members gathered in the Primary gallery for the first meeting of the term. During the meeting we discussed different roles that would be integrated into our meetings such as a minute taker, lunch decider, attendance monitor, and newsletter writers.

We also discussed our Breakfast Club Program, which will continue to run every Wednesday and Friday. We then decided on the key dates that we would have special breakfast club mornings, such as **this Friday (22/07/2022) which will be bacon and eggs**, thanks to the generous help from the Charlton Lions Club. The SLC has also put up a song recommendation poster in the Canteen, so that songs can be played throughout breakfast club mornings, so all students can feel free to add some songs to our playlist.

Years F-6 Coordinator
Kim Fitzpatrick

F-6 Upcoming Events

Fri 22nd July – AFL Clinics

Mon 25th – Fri 29th July Urban Camp Yr 5 & 6

Wed 3rd August – Be Fit, Be Well presentation VIS TBC

Wed 3rd – Fri 5th August – Australian Mathematics Competition TBC (select students years 4 to 12)

Fri 12th August - Junklandia

Fri 12th August – House Athletics

Thurs 25th August – Calder Athletics

Assembly

It was fabulous to have a good number of parents and friends join us for assembly on Monday. Please note, due to the Year 5 & 6 students being on camp, there will not be an assembly next Monday. The **next assembly** will be on **Monday 1st August**.

Student of the Week

Year 3 & 4: Isabella Stahl for working hard on her writing and asking for help when she needs it.

Reading Awards:

Lots of students obviously did stock up on books prior to the holidays, as we had quite a number of reading awards presented on Monday. So good that the following students kept up their reading:

25 nights: Molly

50 nights: Nate L, Josh, Oliver

100 nights: Isabella

125 nights: Erin, Stella

150 nights: Tom J, Anna

Wheelbarrow Licences

Year 3 and new year 4 students undertook the rigorous wheelbarrow testing last week, under the watchful eyes of those previously accredited

year 4s. They were required to manoeuvre the wheelbarrow around an obstacle course, partially fill it with dirt and then empty it. On Monday at assembly the following students were presented with their Wheelbarrow Licences: Shalmain, Matthew, Isabella, Tom J, Nate M, Tom F, Lilymae, Hudson, Josh, Chace, Koko, Sophie and Noah G. Congratulations to these students.

MacqLit

Our MacqLit groups are showing progress. Congratulations to Sophie, Nate and Lilymae for completing Part B; and Willow, Aria, Shalmain, Lily and Koko for completing Part C. Each of these students received a certificate at assembly on Monday.

Masks

The Government is highly recommending we wear masks when inside as there are a lot of different illnesses going around at the moment. This has led to a large number of absences, so we have been asking all students in Years 3 to 6 along with our staff to wear masks whilst inside. We are hoping by wearing the masks indoors, that we can prevent the spread and get students back in the classroom more regularly.

Excitement is in the air in the Year 5 & 6 class, as they will be heading off to Melbourne on Monday morning for a week full of activities. In preparation, all students received some last-minute information on Tuesday. We cannot wait to hear all about their experience in the city.

Around the Classrooms

In Science, F/1 students made their own paper. They squeezed out the water from soaked newspaper, watched it being blended up and then flattened it out onto a tray for it to dry. They had a lot of fun.

Millah squeezing out the water

Molly and Mackenzie flattening out the paper.

Year 1 Numeracy measuring in dinosaur feet

Miss Rees' Numeracy class, made pictures out of different coloured squares, then calculated the fraction of each colour used.

Lily completing her picture

This week was our first kitchen class. We practiced our 'Bear claw', 'Bridge' and 'Rock and Chop' knife skills by cutting up vegetables and herbs to make Vietnamese Rice Paper rolls. They were very tasty, especially with the dipping sauce. We welcomed 'Vollies' Tamara and Penny. We thank them for giving up their time to join us!

Josh soaking his rice paper

Meaghan King**

Year 9 and 10 subject selections

This term, Year 9 and 10 students will begin the process of selecting subjects for 2023. Year 9 students will be required to select a VET course, and some may have the opportunity to accelerate in a VCE subject. Year 10 students will be required to select their courses and subjects that they will undertake in Year 11. Please note that this information session is scheduled for the evening of Thursday 4th August 2022. More information will be provided closer to the date, and an invitation will be sent home with students and posted to compass.

Tertiary Information Session (TIS)

The Year 12 students attended the Charlton TIS event on Monday this week, where they had the opportunity to be introduced to the tertiary application process (VTAC, as well as other application methods) as well as discuss some course outlines with a number of institutions. Charlton College and the rest of the schools in the area are very fortunate to have access to this event, as quite often we need to travel long distances for something like it.

Over the course of Term 3, the Year 12 students will begin spending more concentrated time on their tertiary and career planning, including access to open days, scholarships and applications for courses.

Midway through Term 3, there will also be an information afternoon/evening session for parents to attend so that students that want to apply for courses through VTAC can be guided through the process.

Mason Heenan spoke to a variety of institutions, including RMIT

Lucinda Holmes-Brown discussing the opportunities to study speech pathology with a representative from LaTrobe University

Reminders for Year 12 students

EARLY ENTRY PROGRAMS

Charles Sturt Advantage – Close 4th September (3rd round)

Latrobe ASPIRE – Open Now, Close 16th September

VTAC | Applying for courses in 2023

Charlton College will run an information session on VTAC applications for parents and students this term, however some may choose to do additional research on the process.

VTAC is offering a webinar on the application process, and have put out the following advertisement:

Monday 1st August 2022, 6:00 pm - 6:00 pm

Finishing year 12 this year? You'll apply for courses at Victorian universities, TAFE institutes, and independent tertiary colleges via VTAC, the Victorian Tertiary Admissions Centre. Join the VTAC team for a live webinar which will cover all aspects of the VTAC application process – from finding course information and making sure you're eligible, all the way through to actually receiving an offer.

La Trobe | The Holsworth Biomedical Research Initiative Summer School

Monday 12th December 2022, 10:00 am - Wednesday 14th December 2022, 4:00 pm

La Trobe University, Bendigo Campus

Are you passionate about science or health? Want to learn more about what's next after year 12? The La Trobe Biomedical and Health Science Summer School is for you!

Over three days attendees will live the university lifestyle, staying on campus in our dormitories, with individual sleeping quarters and shared bathrooms and kitchen. Students will be encouraged to interact and learn from each other as much as possible, staying together for meals and activities.

Commencing Year 12 students in 2023 from regional Victoria with a passion for science and an interest in exploring their own futures in biomedical and health-related studies are eligible to apply.

Find out more:

www.latrobe.edu.au/events/all/holsworth-biomedical-research-initiative-summer-school

La Trobe University

Outdoor and sustainability Spring Program

26th – 30th September 2022

Please see flyer attached below regarding La Trobe University's Spring Program "Experience Outdoor and Sustainability Education". Students in Years 10, 11 and 12 are invited to experience bushwalking in the Grampians, as a taste of Outdoor and Sustainability education offered by La Trobe University.

To register interest, go to

<https://forms.gle/Hd7DJF6iG1rpgKPr5>

Work experience with NH Architecture

NH Architecture offer one week work experience placements within the Flinders Lane Studio, Melbourne. During that week, participants will experience what it is like to work within an architectural practice on their own architecture project.

For Further Information Visit:

<https://nharchitecture.net/careeralt/>

Work Experience with Services Australia

If you're in year 10, 11 or 12 or equivalent you can register for a work experience placement with Services Australia. Placements are unpaid and run for 5 days.

On your work experience placement, you'll get:

- real workplace experience
- the chance to develop a range of skills while working on a variety of tasks
- to see the work, we do to deliver vital services to Australians
- to work in one of our many offices, service centres or Smart Centres across Australia
- a greater understanding of our agency, including the wide range of roles we have, and the public service.

Community News

**CWA Juniors
Friday 22nd July (TOMORROW)
at 3.00pm at Charlton College.**

Is your child struggling at school but financially unable to access external tutoring?

WE'RE HERE TO HELP.

WHAT WE DO

- Connect students who struggle with school but are not able to afford tutoring otherwise to our dedicated volunteer tutors for free.
- Our tutors can assist Kindergarten to Year 9 students with English, Mathematics and Science, in addition to reading help for K-2 students.

OUR MISSION

eTutors Project connects students who are having learning difficulties with access to free weekly tutoring lessons to help them succeed, regardless of their financial capability.

eTutors Project

To learn more about us or to enrol as a student, please visit www.etutorsproject.org

Experience Outdoor and Sustainability Education

Spring Programme | 26th - 30th September 2022

Love the outdoors?

Are you in year 10, 11 or 12?

Join us for a significant experience that might alter your future directions.

With the Outdoor & Sustainability Education @ La Trobe Spring Programme, you will experience the natural environment of Gariwerd (Grampians), bushwalking over several days and nights.

Making important decisions about your future can be challenging, especially if you don't fully understand how a university course can help you achieve your goals.

Experience what it's like to be an Outdoor and Sustainability Education student at La Trobe University through our Spring Programme in the September school holidays.

Meet current university students and other secondary students from across the nation.

Learn how our courses can help you find out more about yourself and can start a rewarding career.

La Trobe University's Outdoor & Sustainability Education is internationally recognised for its innovative approaches to education, teaching and research.

Located at the Bendigo campus, Outdoor & Sustainability Education provides a unique, well-supported learning community in a beautiful natural setting.

The Outdoor & Sustainability Education programme is designed so that students can combine outdoor educational experiences with an environmental & sustainability knowledge base.

Join us for a 5-day bushwalk led by final-year La Trobe Outdoor & Sustainability Education students in the September school holidays.

Interested? For further details, contact:

Hannah Stewart, Outdoor & Sustainability Education

La Trobe University, Bendigo, Victoria 3552, Australia

Tumble, Twist and Turn your way to a fun
morning of
Tumbling Tots

@ Charlton Stadium

(Charlton College, Davies Street)

**Tuesday's on July 19th, 2nd, 9th and 23rd of August and
6th of September**

10:45-11:45

A gold coin donation per family is appreciated.

No booking necessary.

**For more information please call Jess McGurk on
0400329339**

Tumbling Tots is a movement based program for crawlers to 5
year olds.

It strives to enable all children to experience endless movement
opportunities and be encouraged to think, play, create,
construct and solve problems with their own bodies and in turn
build their coordination and confidence.

It promotes the active participation of the child's mother, father
or carer.

*This program has been made possible through funding
from Vic Health and Bounce Back Buloke.*

SLC CALENDAR - Term 3

Meetings will be held in the Library @ lunchtime!

Don't forget to bring your class posters to all meetings.

PLASTIC FREE JULY

FOR CLEANER AND HEALTHIER STREETS, OCEANS AND COMMUNITIES

Anyone can get involved in Plastic Free July. You can start out by making small changes, or really challenge yourself with some bigger ones! Here are some ideas on plastic free switches you could make. Which ones are you already doing? Which new ones will you try?

MORE GREAT IDEAS AT: WWW.PLASTICFREEJULY.ORG

AT SCHOOL

Pack a reusable water bottle and refill it during the day instead of buying bottled water that is made of plastic.

Challenge yourself to packing a 'nude' (*not wrapped in plastic*) lunchbox. Replace plastic cling wrap with options like containers, reusable pouches or beeswax wraps.

AT HOME

Making a delicious smoothie? Switch out the plastic straw for a reusable metal one.

Due for a new toothbrush? Switch to one with a bamboo handle.

IN YOUR COMMUNITY

Remember to grab some reusable bags as you head out the door to do the grocery shopping.

Pick up any pieces of rubbish you see lying around. Do it alone or get some friends, pick a spot and do it together.
