NAPLAN NATIONAL ASSESSMENT PROGRAM Literacy and Numeracy

Today is the final day of NAPLAN testing for our year 3,5,7 and 9 students. The online platform was easy to use and we had minimal technical issues. Students were even excited to share what they had written or read during the tests. A special thanks go to all staff who skilled themselves up to conduct these sessions, as this involved additional time. Well done to all involved!

College Council AGM will be held on Monday, March 27th at 7pm.

There will be positions available for parents, staff and community. I will also be presenting the school report at this meeting.

All are welcome.

Student Leadership Council
Lennon Jablonka

In this week's SLC meetings, the senior SLC members split into two groups. The Year 11's focused on their study room, and what possible renovations they may want to do to it. They also organised a meeting with Mr Daff, to discuss what is feasible and what isn't.

Meanwhile, the Year 12's discussed the creation of a mural or memorial for their late classmate, Oscar Bourke. They decided on a few possible locations and followed up with the rest of their class later in the day.

After the two groups had finished, they merged back into one group, and discussed a few whole school matters, including the ANZAC day March and subsequent ceremony, which all SLC members will do their best to attend. They also decided to put on a sausage sizzle on the last day of term as a reward for making it through the first term of the year.

This was the last meeting the SLCs will have this term. They will meet again in week 1 of Term 2.

Zucchini Cannelloni Stuffed with Ricotta & Leafy Greens

p2

What to do:

1. Preheat oven to 180°C.
2. Prepare all of the ingredients based on the instructions in the ingredients list.

To make the filling:

1. Warm the olive oil in a frying pan.
2. Gently sauté the onion and garlic for 2–3 minutes in the olive oil.
3. Add the seasonal leafy greens (e.g. silverbeet) to the pan and stir to coat in oil. Sauté for another 3 minutes.
4. Remove from heat and allow to cool.
5. Drain off any excess liquid created during the cooking process.
6. Mix the ricotta, eggs, grated nutmeg, parmesan, lemon zest, herbs, salt and pepper in the large mixing bowl.
7. Add the greens, mix well, taste and season if necessary.
8. Store in the fridge until needed.

To make the zucchini cannelloni:

1. Peel the zucchini lengthways using the wide peeler to create wide strips.
2. Set aside.

To assemble and serve the cannelloni:

1. Spread half the quantity of the **Tomato & Garlic Sauce** onto the base of the large, shallow baking dish.
2. Place a zucchini ribbon on the bench and spoon 1 tbsp of the ricotta mixture onto the narrowest end.
3. Roll up to form a 'cannelloni', and place into the prepared baking dish with one open end facing up.
4. Repeat with the remaining zucchini ribbons and ricotta mixture.
5. Pour the rest of the tomato sauce over the cannelloni and top with the remaining parmesan.
6. Bake in the oven for 20 minutes, or until the top is golden brown and the zucchini is soft when tested with a fork.
